Dedication

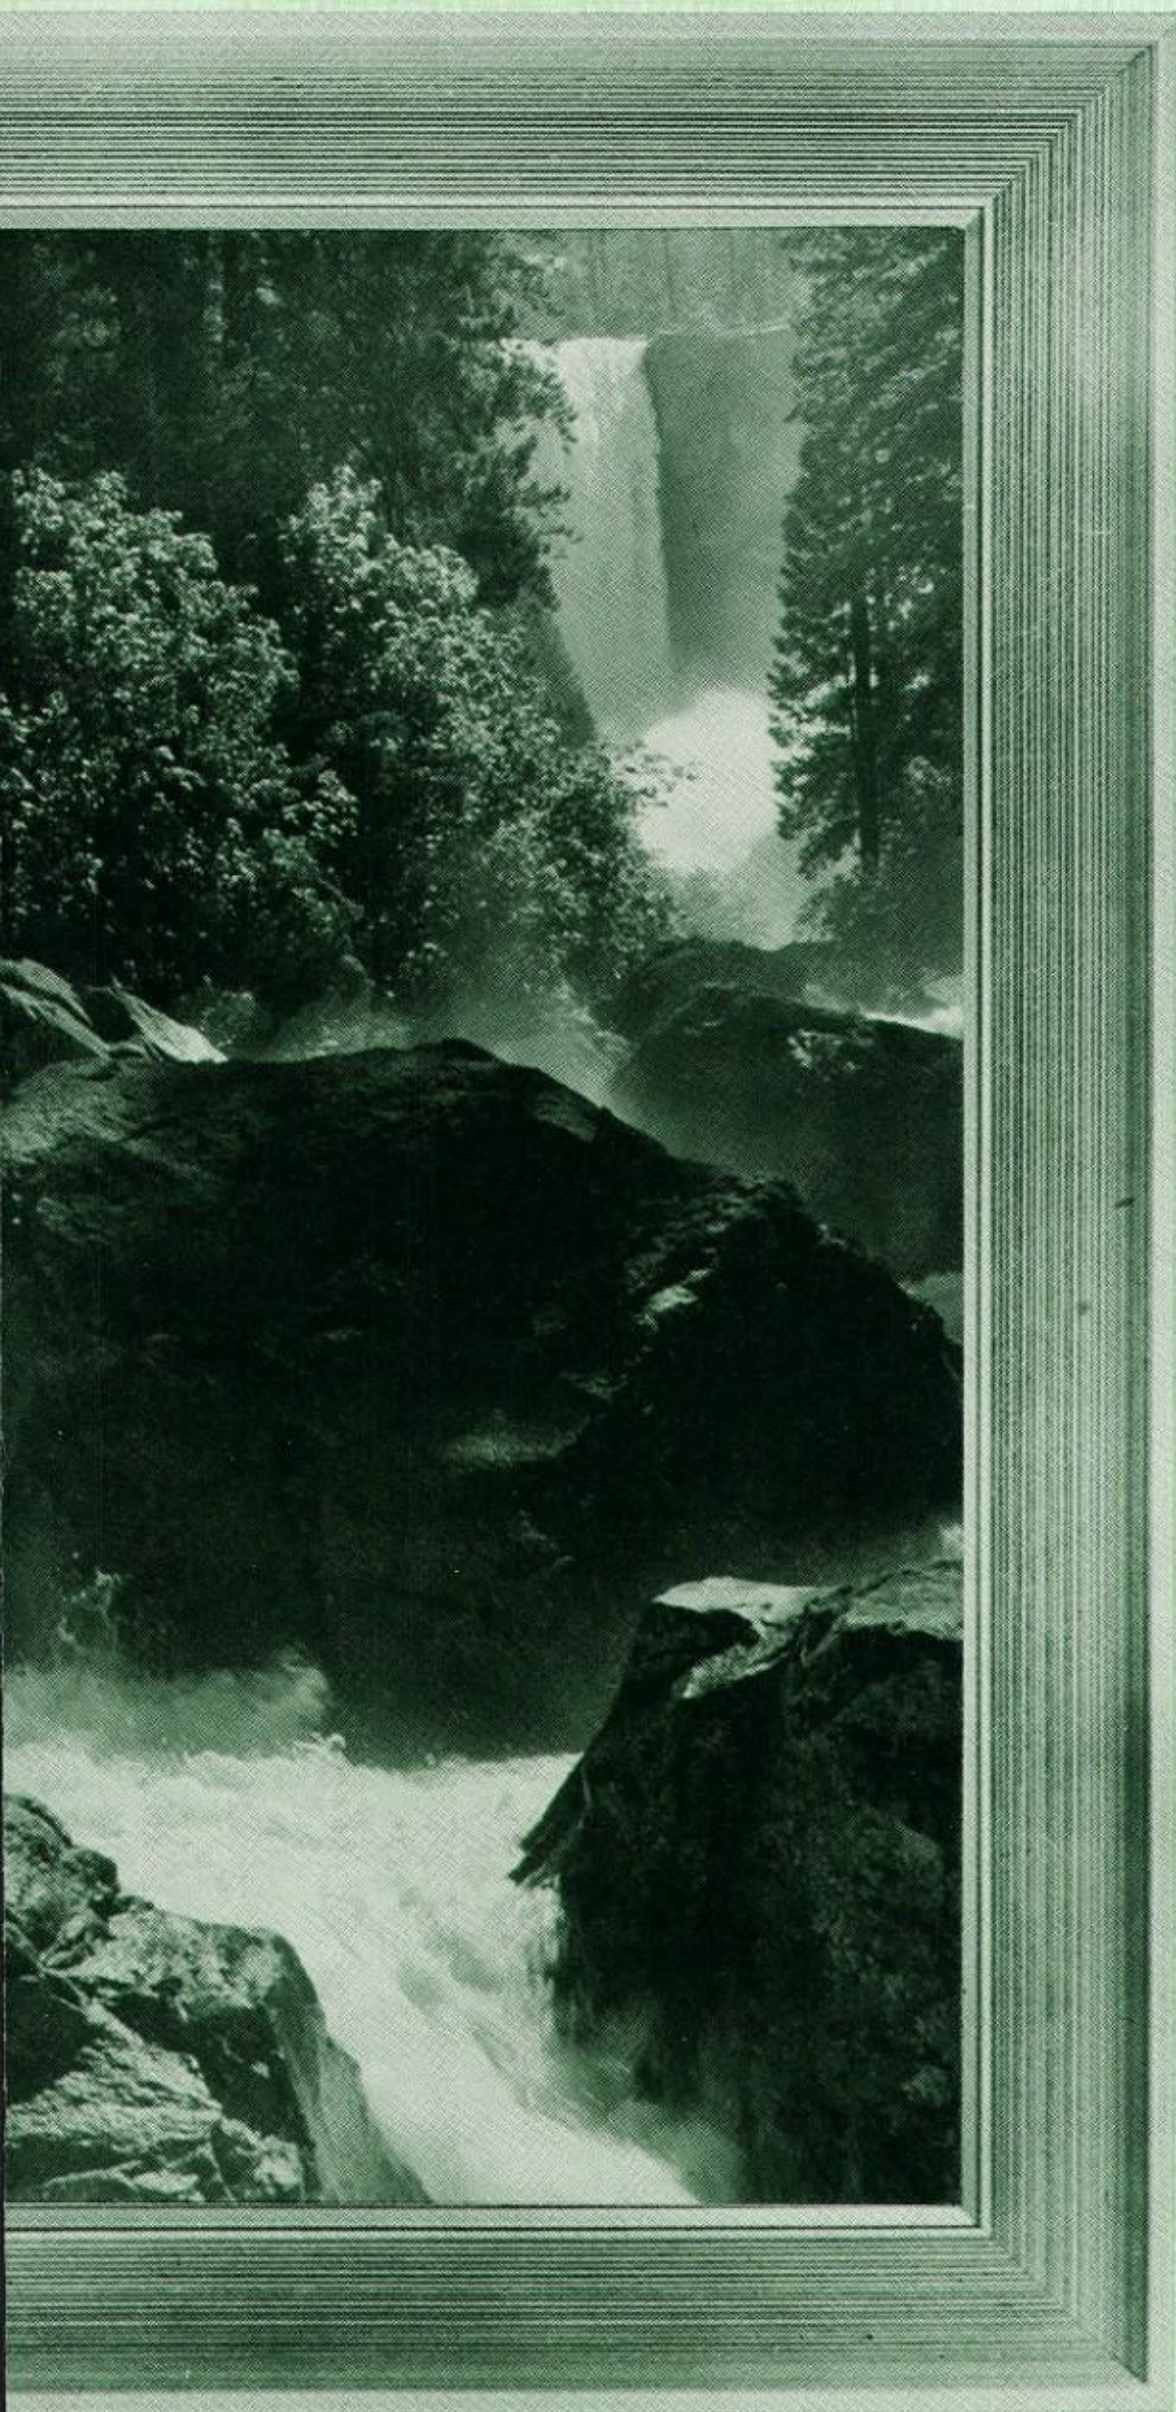

The Royal Blue staff is proud to dedicate this annual to Mr. Emigh, who for the past twenty-six years has been teaching mathematics, physics and science at Walla Walla High School. A hard worker is the description given to Mr. Emigh, who was brought up near here and educated at Whitman. During this time he has seen Wa-Hi grow and prosper into what it is now. Through this the students have come to know him as a kind, friendly, and helpful man. With all these qualities and years of experience behind him, we can say we are proud to have him as a member of our faculty and school.

Recently I did some research having to do with the growth and development of the Walla Walla High School. It became apparent very quickly that the best source for tracing the achievements and progress of Wa-Hi since 1946 was to be found in our file of Royal Blues. Here is chronicled academic and extra-curricular achievement of which the students, faculty and community can well be proud.

I am sure that the achievements recorded in this 1960 Royal Blue will be of the same high quality.

It is my sincere hope that Wa-Hi will continue its enviable record as one of the top "AA" schools in the state.

In future years as you sing the words of your Alma Mater song, "Forward ever be our watchword," continue to make this sentiment a reality as well as a song.

ARTHUR D. JONES
Superintendent

It has again been a privilege to work with the students of Wa-Hi. You have been cooperative and friendly; energetic and studious; and mature in most of your judgments. Your successes have been many, your failures few. I trust that you have enjoyed the year and felt that it was worthwhile.

The staff members of the Royal Blue have worked hard to provide you with a record so that you might relive and recall the 1959-60 school year. Their reward is the pleasure that this annual gives in helping you to remember the associations with students and faculty.

Congratulations, Seniors; I wish you success in your future endeavors.

The task of recapturing events of a busy school year and bringing them to life in book form is a difficult one. The Royal Blue staff is to be congratulated for another fine job. Their efforts are truly appreciated by students and faculty alike.

The senior class has finished an exciting year. Each senior now looks to the future and the challenge that lies ahead. May the road be not too rough and joys exceed the sorrows. The fondest wishes of faculty and administration go with each and every one.

So long, Seniors. Good luck and happy hunting.

K. A. TIDRICK
Principal

Best wishes, Marty

Vice-Principal

The 1960 Royal Blue is a record of the initiative and achievements of Wa-Hi students. Its pages are filled with names, faces, and mementos that will become more meaningful as the years go by. The year-book staff is to be congratulated for the energy and imagination that they have shown in creating this lasting record of the activities and accomplishments of the student body. This is an example of the type of enterprise that has given Wa-Hi the rich heritage that it has today.

Congratulations, Seniors, on your school spirit, citizenship and academic accomplishments. Continue to earnestly follow the goals you have set for yourselves. Use your talents so they will be a credit to you and to your country. Best of luck and happiness.

The Boys' Federation this year dropped an activity and acquired a few new projects. Because of the financial difficulties of producing noon movies, the project was dropped and replaced by putting the Boys' Federation behind the F. F. A. Barn dance to sell tickets and advertise. They also attempted to keep the neighboring lawns raked and helped pay for the sign that now hangs on the front of the gym.

A variety of assemblies were produced. Entertainment included guest speakers varying from a personnel manager to an ex-baseball player, our band, and audience participation. In planning ahead for Federation next year the boys have attempted to acquire a couple of fine national assembly acts.

Did you get those glossies? Why did you crop it here? Put the band in the drier. Some of these terms you may hear in the annual room. They may seem confusing to the new staff members, but by the end of the year they become intelligible.

In October Judy Batten, Kay Hunter, Bonnie Simmons, Vonda Taylor, Allen White and Miss Gray went to Seattle to the Washington State Yearbook Workshop and brought back many new ideas.

The annual staff would like to express their appreciation to those who have helped in many and various ways.

The 1959-60 school year was a memorable one for the Journal. The Homecoming issue in the fall was a six-page offset paper, the first non-mimeographical paper put out at Wa-Hi in many years. With the arrival of the second semester the staff began putting out offset papers on a regular basis.

The staff felt that the additional experience obtained from soliciting and making up ads was very valuable, and that the use of pictures created new student interest in the Journal.

The first semester journalism class became cub reporters at the semester and gave much-needed assistance on the offset paper.

The staff members who attended the annual Pacific Slope Press conference in Seattle in February had a very enjoyable time and got many new ideas for the improvement of the Journal.

Quill and Scroll

Quill and Scroll is the international honorary society for high school journalists. After a period of many years of inactivity, the Wa-Hi chapter was reorganized last year by Mrs. Bailey with four members of the Journal staff as members. There are now nine members: Judy Batten, Peggy Davis, Marcia Dummler, Virginia Craig, Kay Jungmann, Zella Murray, Maytielu Rimbey, Bonnie Simmons, and Barbara Wyman.

To qualify for membership students must be in the upper third of their class scholastically and must be recommended by their advisers for outstanding work they have done on school publications. Quill and Scroll hopes, by its activities in the future, to improve the quality of Wa-Hi publications and promote interest in the field of communications among Wa-Hi students.

The Future Homemakers of America had a year of work and fun. We did community projects such as entertaining the patients out at Blue Mountain Infirmary, making octupi for the children at Lakeland Village as a Christmas project and making snowman favors for the folks at the hospitals. Our big activity for the year was our National FHA week held April 3-9. We started our week by going to church as a group and ended it with our annual degree banquet.

El Adrea has had an active year set off by a cake sale to raise funds to make our other projects possible. The Homecoming Noise Parade wouldn't have been the same without our huge "I" truck packed with cheering fans. On January 8th the basketball game was climaxed with "Abstract," El Adrea's annual frolic. When tragedy came to one

of Wa-Hi's students, we agreed we wanted to help him in some way, so we presented him a gift to make his life a little lighter. We eagerly pitched in with the other clubs with our resources and service. Another service was Donation to the refugee fund.

Grenno Se Cee has had a very successful year under the adviser, Mrs. Dunn, and the two presidents, Annie Werts and Peggy Davis.

G. S. C., as the sponsors of the annual Sadie Hawkins, spent many hours of planning work to promote this "hill-billy" dance. Projects for 1960

were: sponsoring a Lakeland Village boy, entertaining the Happy Hearts Club, Thanksgiving and Christmas baskets, Christmas caroling, clothes drive, nylon drive, candy and cake and pickle sale, election posters, and Homecoming activities.

Under the direction of presidents Pam Hallmark, first semester, and Darlene Baxter, second semester, Latura participated in numerous projects. They sponsored the first football frolic and participated in all homecoming activities, including the making of the torch. Others include Thanksgiving and Christmas baskets, their annual Christmas packaging at the Vet's, projects for Sequin School Special Schools, and Stubblefield Home, as well as dinner decorations and the club assembly.

We have had many projects including: making cardboard stars covered with various colors of tinfoil for the Christmas Concert, combining with Latura to obtain donations for the V. F. W., participating in the many functions of Homecoming, and giving Christmas baskets and food donations to the Union Gospel Mission. We feel very grateful that we have had the cooperation and leadership to complete these worth-while service projects.

Tethany

This year the members of Tethany achieved many worth while projects under the direction of Edith Bradford, first semester president, and Sandy Hampton, second semester president. These projects include making a Christmas and Thanksgiving basket for two needy families, two baskets of Valentine cookies for Blue Mt. Infirmary, donating toys, and making scrapbooks for boys at Sequin Home, and polishing all the trophies in the school. Also a frolic was given called "Enchanted Sea." It was the last and a big success.

Student

Through the American Field Service, Walla Walla High School received their first Exchange Student, SABINE FUNKE. Last fall Sabine, who lives with Mr. and Mrs. E. C. Franzen and their family while she is in our country, entered Wa-Hi as a Senior. Sabine, a member of Sponsors, lists her interests as swimming, literature, languages and travel. She has found American life quite different, especially the school system, but enjoys it very much. After her graduation in June, Sabine will tour the United States with the other American Field Service Students, and then return home to West Berlin, Germany, in July.

SKYWARD FOR VICTORY.

Coach John Richardson made his first season as head coach of Wa-Hi's basketball team a very successful one. The Blue Devils finished the regular season with a 15-5 record, winning 12 of their last 13 games. Having won the right to try for a state tournament berth by defeating Clarkston twice, the Devils met Spokane's Shadle Park and were defeated.

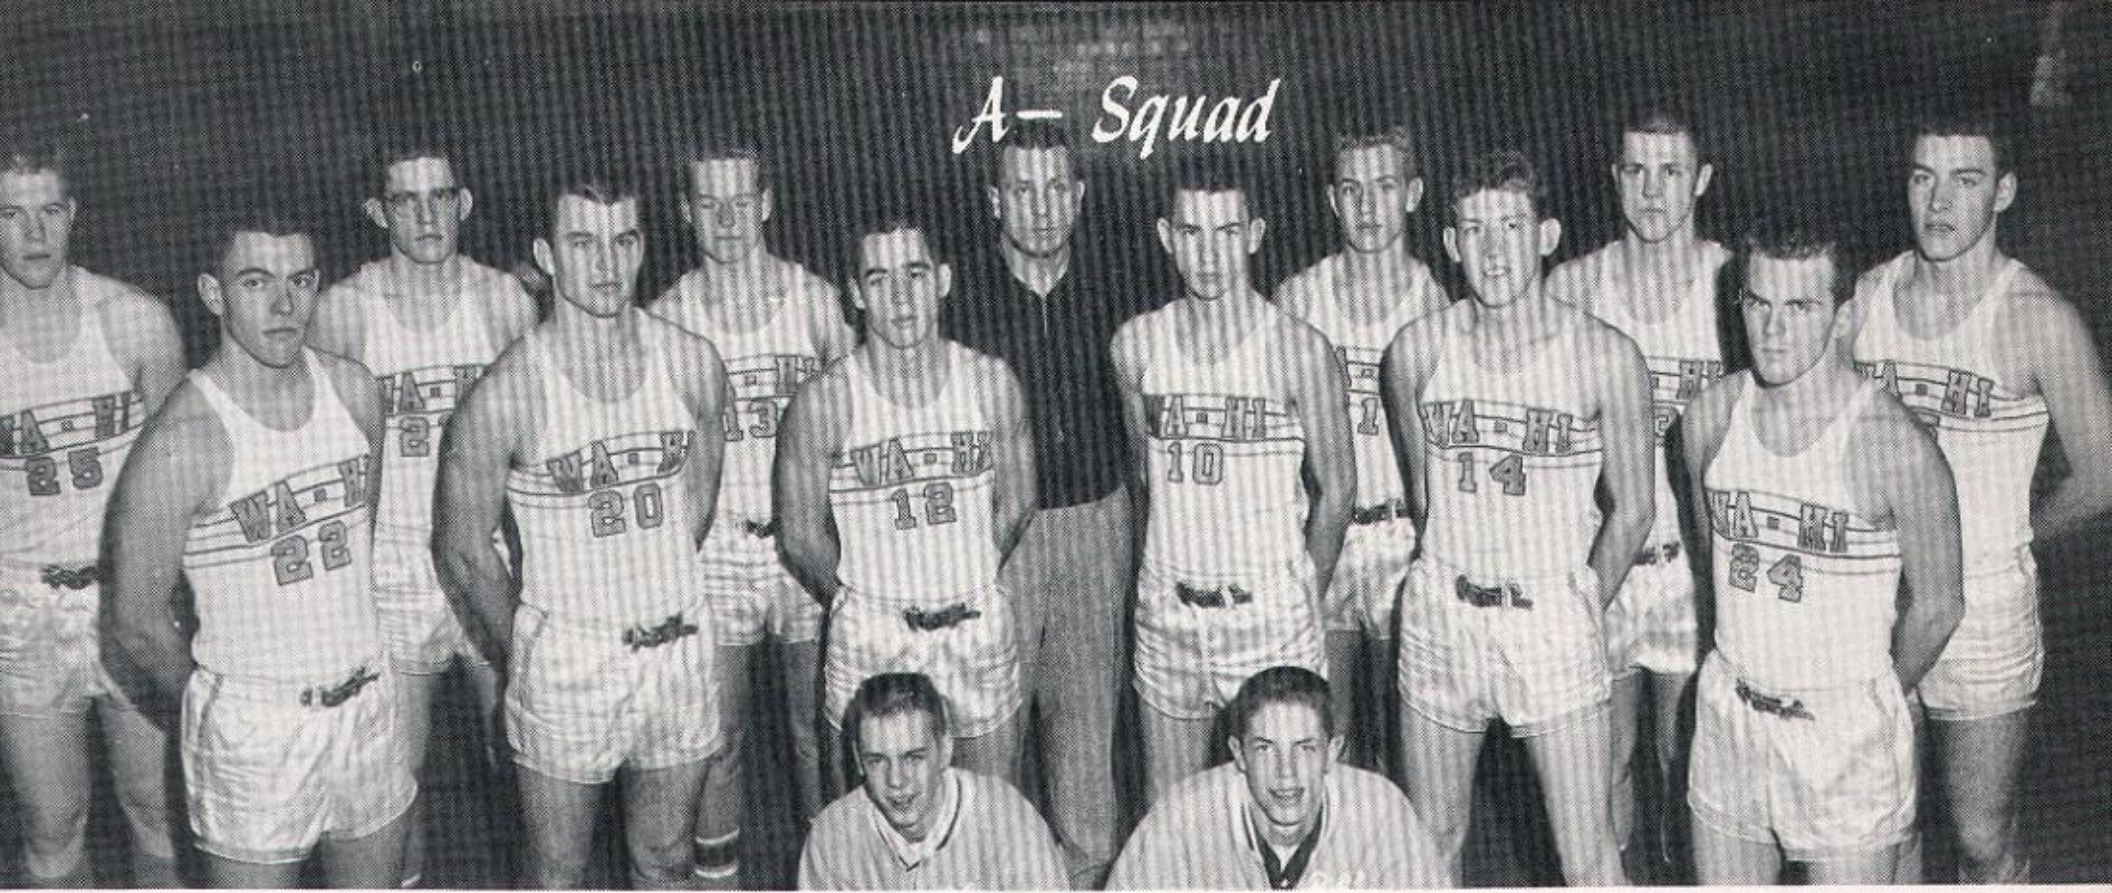

Wa-Hi started the season slowly, losing 4 of its first 7 games, but the team caught fire and reeled off 11 straight victories. The first victory over Wenatchee came when they were ranked number one on the A. P. poll. Wa-Hi jumped onto the poll and finished 7th in the final tabulations.

Wa-Hi was led this year by seniors Mike Monahan, Glen Houk, John Zaring and Steve Huntington. Mike finished the season with a 9.5 scoring average and averaged over 7 assists a game. His deft ball handling, passing and scoring earned Mike a position on the All-State third team. Mike's two best games were the Wenatchee games in which he poured through 30 points while holding high scoring Brownlow to 18 points.

B Squad Basketball Row 1: John Folsom, Fred Gwinn, Jock Edwards, Bob Schatzel, Tom Schulke. Row 2: Tom Nelson, Robert VanDonge, Jack Irving, Ed Weitz, John Nelson, Mike Williams, Doug Coffey, Manager, Tony Howells.

Glen, although only 5' 10" and hampered with a broken finger, led the team in rebounding and in scoring average with 10.4. His best game was the second Clarkston game in which he tallied 18 points and grabbed 15 rebounds.

John led the team in total scoring with 201 points and was one of the two ball players to play in all 20 games. Next year Coach Richardson will have a core of seven returning lettermen around which to build the team.

With more schools including wrestling in their interscholastic programs, the Yakima Valley Wrestling Conference was divided into northern and southern divisions this year. The southern division was dominated by Pasco with the Blue Devils having a record of two wins and four losses in league competition. Victories over Richland, Lewiston, Pendleton, and Prosser gave the "Devils" an over-all dual meet record of six wins and six losses.

The sub-district meet was held at Richland with ten boys surviving the competition and representing Wa-Hi at the district meet at Grandview. In placing second in his weight division, Gary Mulhair was the only Blue Devil to earn a place to the State Invitational held at Washington State University. Gary won his match from Ron Gain of Anacortes, but lost to boys who eventually placed second and third.

GARY MULHAIR
Mr. Hustle

Duane Wagner, Junior, turned in the outstanding dual meet performance of the season with eleven wins and one draw to his credit. Team-captain Gary Mulhair was chosen, by his teammates and coach, winner of this year's "Mr. Hustle" Award. Gary was selected for contributing the most to wrestling through his hard work, accomplishment and general all-round desire.

With but four seniors graduating—Steve Gradwohl, Ken Hartwig, Gary Mulhair, and Bill Farmer, next year's wrestling squad should be outstanding.

Major 'W' Award winners were: Sophomores—Rodney Jensen, Mike Byergo, Earl Betts, Phil Lane, and Doug Bacca. Juniors—Duane Wagner, Frank Bailey, Dick Williams, Dave Fletcher, Ron Thompson, Larry Richards, Ken Frazier, Jim Kinney. Seniors—Steve Gradwohl, Ken Hartwig, Gary Mulhair, and Bill Farmer.

Minor 'W' Award winners were: Sophomores—Les Broome, Brian Duncan, Greg Mulhair, Todd Weinell, and Bob Yenney.

GIRLS' SPORTS

P. E. CLASSES

The Girls' Physical Education classes have taken part in a variety of activities this year. In the fall, speedball, volleyball, and even touch football, highlighted the season. The winter months brought the girls inside for basketball, recreational games and tumbling. Spring activities included softball, track, archery, and the net sports of badminton and tennis. Twice during the year, the girls were given physical fitness tests, composed of push-ups, broad jumps, argent jumps, 50 yard dash, and softball throw.

A girls' track program is being offered for the first time at the high school, beginning this spring. Several of the girls already hold National Ratings from their junior high school events.

Dearest Mom,

(RESEVED)
FOR
DORNA

"If ye have faith as a grain of mustard seed... nothing shall be impossible unto you."
Maui, the day that realization dawned on you was one of the greatest, if not the greatest of your life. As they say - after your realization, little faith gives little results, medium faith gives medium results, but great faith gives great results.

As for me, my road points clear & straight, I will keep praying to pass over the holes. This real prayer will change my life. (Luke 17:21) "God's kingdom is within you."

This will give me the power and ability I need for constructive living.

I shall never forget Apostle Kimbale's talk as long as I live. What a wealth of depth, sincerity and experience.

These last 4 1/2 months with you have been a real stepping stone in my life. I'm sure I don't have to write a book on my feelings for in sure you know. We have had our ups & downs but all is a part of life & living & all is character building. I pray we will always stay as we are, and while you go to college - think of me often - write when possible.

Remember the mountains, Bills & Barb, Sharon & Jim & us.

You are made of great stuff and will attain any goal you strive for. Bills about to ring! So - I'm listed in movies! (don't ask anyone what that means)

With all my love,
Dorina
